

Happy Easter! We hope you all had a relaxing break and received some yummy choccy eggs from a very special visitor. We can't believe that it is April already, time defiantly flies when your having fun! Everyone in the toddler room is enjoying our new space to play in.

The weather is starting to get colder as we are moving into winter so don't forget to pack your warm clothes so we can rug up to go outside if its not raining.

We would love to start doing some construction with the toddlers both as group and individual activities. If you have any empty small and large boxes that you would like to donate that would be appreciated. (Please be aware of boxes containing nuts or nut products as we have children with allergies).

We can't wait to start building!

Family Tree

We would like to start a new family photo book as we have many new faces in the toddler room.

On an A4 sheet of cardboard you can arrange photos, stickers or even a little story about your child and family. You can include interests and drawings.

Having the family book at child care helps your child to settle into the room as they have familiar faces to look at and share with others. If you would like ideas or examples please talk to the carers.

We hope that you all would love to participate.

TOILETING

If you are beginning to toilet your child please ensure you have up to six pairs of clothes in their bag for the inevitable accidents.

Please make sure your children's clothes are easy to get on and off as sometimes we have trouble getting onto the toilet quick enough.

Thanks.

Meet and Greet

Amanda is the Team leader and has a day off every second Monday.

Briony is the next qualified in the room and has her day off on the alternate Monday to Amanda.

Dimitra has her day off every second Tuesday.

Courtney comes to play with us every Monday.

Hazel is a relief carer and joins us every second Tuesday and every Thursday in the mornings.

We have a few students in the toddler room and through the centre, completing their studies. Please remember to relay all vital information to the carers in the room.

Don't hesitate to come in for a chat with the toddler room carers!

As the weather is still fluctuating can you please ensure your child has all weather appropriate clothing and footwear. It would also be great if your child has their own hat that can stay at care. Some children are getting upset if they have to wear a spare hat when theirs is forgotten.
