

PERMISSION FOR PARTICIPATION IN LOCAL EXCURSIONS AND ACTIVITIES

Dear Parents and Guardians,

As part of our commitment to providing rich learning experiences for children at Whinham, we offer opportunities to engage in local excursions and community activities that enhance their development. We seek your permission for your child to participate in the following activities:

- **Library Visits:** Visits to the **Prospect Council Library** to explore books, engage in storytelling, and foster early literacy skills (EYLF Outcome 5: Children are effective communicators).
- **School Visits:** Visits to **Prospect Primary School** to support school transitions, social development, and familiarity with a school environment (EYLF Outcome 2: Children are connected with and contribute to their world).
- **Short Walks:** Supervised walks (with same-day notification) to **Coles** to explore real-world numeracy and social experiences (EYLF Outcome 4: Children are confident and involved learners).
- **Yoga Sessions:** On-site yoga sessions to promote physical wellbeing, mindfulness, and self-regulation (EYLF Outcome 3: Children have a strong sense of wellbeing).

These experiences support the Early Years Learning Framework (EYLF) by fostering a sense of belonging, curiosity, and active learning. All excursions adhere to required **Educator:Child ratios**, and a **risk assessment** is undertaken for each activity in accordance with **legislative requirements**.

There are **no additional charges** for any of these activities.

Please complete and sign the permission slip below to provide consent for your child to participate.
